JULY 6, 7 & 8 2007

Plan on coming out to Silverton to participate in the Maine State Sporting Clays Championship. Now don't let the fancy title fool you— this is an event for every shooter. We'll have NSCA and Hunter classes, great prizes and awards for all classes and not just the winners. Our top raffle prize will be a Lincoln Manual Trap (a \$650 value). Vendors will be there with great items for shooting, hunting, and dog training. Don't miss out!!!!

New For 2007

It's been a busy winter planning the many events for the upcoming year and we're quite excited about the results.

We'll have additional traps coming which will give us 8 automatic traps for our 5 stand and the opportunity to have additional "fun" shoots.

Remember how much fun it was when you were shooting on the 5 stand before your pheasant hunts? We'll be doing *Family Fun Shooting Night*, Wednesday starting in May. This will be a low-key shooting night to work on different presentations, introduce someone new to shooting, or try out a new gun. We'll be open from 5-8pm starting May 9th. We'll also be open for shooting on weekends— just call!

Our *Summer 5 Stand Series* will begin May 8th for a more formal shooting night. This will be a singles event instead of a team event— see website for details.

We have already booked many **pheasant hunts** for the fall— if you know when you'd like to come out- give me a call.

MAINES ULTIMATE OUTDOORSMAN

Thanks to everyone at the Scarborough, Hermon and Sidney clubs for participating and working at these shoots. It's been fun to go to the different clubs and shoot and it gives those working a chance to just shoot for a change!!

Sign up for our Summer 5 Stand Series, Tuesday nights starting in May.

Canine Update

So far the girls are co-operating and we are expecting yellow and black lab puppies this spring. If all goes well we will also have a litter of german shorthair pointers as well. If you've got a young dog this year and are looking for some help with training give me a call.

Happy and safe hunting
