- Snowmobiling
- Trail Riding with Your Horse
- Access to ATV trails

ANGIE'S READY-ARE YOU?????

IT'S HUNTING TIME!!!!

DON'T BE LEFT OUT- BOOK YOUR HUNT TODAY

For those of you who have enjoyed our **Tower Shoots** in the past we will be having one **September 17, 2006**. These shoots are a great tune up for bird hunting season and a challenging change from clay targets. Please call (399-3647) or email (info@silvertonsportingranch.com) for details. As always we will have hundreds of birds, retrievers to pick them up and a buffet lunch afterward.

On September 23, 2006 we will be celebrating **National Hunting and Fishing Day**, a day set aside to celebrate our outdoor heritage. We will be offering our **Parent/Child hunt** of 4 pheasants for \$80 and will be including the guide, dog and clays targets for free!!!! We invite you to take advantage of this opportunity to spend a few hours out with your kids (girls like to hunt too!!!).

The shooting sports will return once again to Silverton on **September 30-October 1, 2006**. Our sporting clays course will be open with a variety of shooting games available for the weekend such as duck blind flurry and crazy quail- a great primer for bird season. Registered targets for NSCA. We now have a trap field in place.

This will be your chance to try sporting clays and clay target shooting—come give it a try!!! Door prize of a 4 Pheasant Hunt!!
50 targets for just \$20 (each additional round \$15)- \$2 off first round with coupon.

SPORTING CLAYS RESULTS!!!!!!

Saturday, August 19 featured the small gauge events and the open 5 stand course. A prelim course was added for this event with many shooters taking advantage of the great weather. Richie Frisella Jr of Peace Dale Shooting Preserve in RI once again set a great course making good use of the many different station possibilities at Silverton. The Prelim was won by Henry Trial, Argyle, shooting a 92 with Larry McIntire, Ellsworth, earning a 90. Small Gauge HOA was Micah Parker of Meredith, NH with Small Gauge RU honors going to Bob Morin, Auburn, NH. 20th Skeet was well represented at this shoot and we look forward to attending one of theirs sometime. Saturday night's barbecue was enjoyed by shooters staying in the cabins on the grounds as well as others staying in local motels. Everyone not only shared a meal but many laughs and stories.

The weather Sunday started out dismal but those in attendance donned rain gear and headed out to the course. Richie worked his magic and the course was certainly a different course from our last shoot in April. The Main Event HOA was Micah Parker shooting an 85 and Mark Brannon a close runner up with an 84.

After shooting the course everyone gathered for the Maine State 5 Stand Championship. Sixteen competed on the very challenging course with Mark Brannon taking top honors with a 40 and Micah Parker taking second breaking 38 targets. We congratulate everyone who stepped up to the cage on this first rate 5 Stand.

SHOOTING THE 5 STAND

A HAPPY GROUP OF SHOOTERS

Maine State 5 Stand Championship

NEW FRONTIER TAXIDERMY STUDIO HAS MOVED!!!!!!

Jim Geib has moved to a new location and is now bigger and better. Located just south of Griswold's on Rt201 in Solon, the new studio has more display space, separate work rooms and more parking but the same great service and artistry you expect from Jim.

**Contact Jim at (207) 643-2334
MASTIC scorer State/Federally Licensed**

North American Hunting Retriever Field Test

Handlers and their retrievers came from NJ, NY, VT, MA and many parts of Maine to test their skills on land and water retrieves, blinds, upland hunting and trailing a crippled bird. Several earned titles. Hunt tests, whether for retrievers, pointers or flushing dogs are a great way to get dogs ready for the upcoming hunting season. Saturday night featured a raffle, steak dinner and lots of laughs.

Happy and safe hunting
